| R-2, R-2.5, R-3, MU, PC[1] | Per attached housing unit | 0 | 0 | 0 | 4 |

| ZONING DISTRICT | LAND AREA | MAXIMUM NUMBER OF ALLOWED BEE HIVES |
|---|---|---|
| TH-5, A-5, A-1, RA-1 | 5+ Acres | No limit* |
| TH-5, A-1, RA-1, R-1-22, R-1-15, R-1-12, R-1-10, R-1-8, R-2, R-2.5, R-3, PC[1] | Per 10,000 square feet with no minimum property size required; detached housing units | 3 |
| R-2, R-2.5, R-3 | Per attached housing unit with private backyard | 1 |

Notes:
1. Keeping of animals for properties located within a Planned Community District must be authorized through an Area Plan. See Section 12.120 (D)(5) for requirements of keeping animals in the Planned Community District.
2. Equivalencies: One (1) Category One animal is equivalent to two (2) Category Two animals. One (1) Category Two animal is equivalent to two (2) Category Three animals.
* There is no defined maximum number of allowed animals/bee hives, however, animals/bee hives must be kept in good health and without creating nuisances to neighboring property owners. A kennel license is required to keep more than 2 dogs or 3 cats on any property.
One (1) Category One animal is equivalent to two (2) Category Two animals. One (1) Category Two animal is equivalent to two (2) Category Three animals.
